

Year 6

Autumn Term 1

Project

Project information

In Autumn term we focus on the topic of identity and belonging in RE so we would like you to create a mood board about what is important to you and what represents you. Please find photos, images and other bits and bobs that represent you and your life. This might include photos of family members, pets, hobbies that are important to you.

Add to these ideas objects and images that represent you. Include colours, patterns, images from magazines and maybe even pieces of fabric that are linked to your family. Examples are shown below but it can look how you want it to look.

Arrange these onto A3 paper/card or even cardboard.

- ◆ Bring your finished project into school on **Monday 19th October**.
- ◆ You are expected to manage your time on your project over the half term and **NOT** to leave it all to the night before (an excellent secondary school skill) . We would like you to be proud of what you produce and to really think about your final piece. These will be displayed at our parent assembly.
- ◆ If you have any questions, please talk to your class teacher well before the deadline date. If you need A3 paper, please ask your class teacher for it.
