

This week - Maths

Home learning in Y6

Each week there will be a focus on Maths and English. The purpose in Maths is to consolidate learning from what the children are learning throughout the week and to revisit arithmetic skills. The English task tends to focus on comprehension and grammar/punctuation practice. Aim to spend up to 30mins on each. The sheets are handed out on Thursday and are to be returned the following Tuesday. Please speak to the class teacher if you have any questions.

Challenge 1

Write the number 7,426 in words.

Add 2,000 to the number 9,346.

What is the value of the 7 in the following numbers:

4,576,802

307,894

47,893

7,502,467

983,470

Homework

Date Due: Tuesday 15th September

English

Challenge 1

We would love to read some of your descriptive writing. Please use the image below and story opening and continue it. You can write on lined paper or type and print.

Motionless, she stood gazing down the never-ending tunnel. The track extended as far as the eye could see, encased by walls of brightest green.

Weekly Reading

Please aim to read for about ten minutes per day. You may choose to read your school reading book or one that you have at home. Use your reading record to show the teachers what you are reading.
