

Year 3
Autumn 1
Home Learning Project

Topic this half term:

The Stone Age (Ug by Raymond Briggs and The Stolen Spear by Saviour Pirotta)

This half term, we would like you to create a 3D model of Stonehenge.
How you create it is totally up to you. It could be:

- A lego model
- A papier mache model
 - A collage
- An interactive model using a programme eg Minecraft
 - A clay model
 - A junk model
 - A model out of paper or card
- Or anything else you can think of!
-

Please try not to make your model too big – we don't have huge amounts of storage space in our classrooms!

This is due in on Monday 19th October. You have 6 weeks to complete your homework (please don't leave it to the last minute to start it!)

Classes will get the chance to share their home learning with the year group.

Please talk to your teacher if you need any help / guidance / advice.
Have fun!
